

Learning Tree Farm proudly presents our newest venture  
**The Garden Club**

Every year, the Farm's extensive garden helps to educate **over 10,000 visitors** from the Greater Dayton community. By joining our 2017 Garden Club and sponsoring a garden bed for the season, you will be supporting our efforts to reach even more children and families!

Helping us grow will also benefit you! You will receive:

- \* An invitation to **monthly garden education events** led by our experienced Garden Manager
- \* An exclusive invitation to our first ever **Farm to Table Dinner, slated for October 2017**
- \* Your **name will be displayed in your bed** for all of the 2017 growing season!

Garden Membership Cost: \$50 per garden bed. Spots are limited— don't delay!

**YES! I would like to join Learning Tree Farm's Garden Club**
